Dear Friend,

The deadline to file taxes is quickly approaching, so I wanted to let you know about an easy, free filing service called Free File, on the IRS website.

This is a free service.

Free File helps you prepare your federal taxes online and gives you the option to file your taxes electronically.

Through a public-private partnership between the IRS and commercial tax software companies, the IRS is able to provide this service.

If your income is \$57,000 or less, you are eligible to use Free File's easy filing software, and anyone can use their online forms at no cost.

Visit <http://www.freefile.irs.gov/> to learn more about Free File on the IRS website. It's Free. Get it out the way, today!

To get more information on the Earned Income Tax Credit and Child Tax Credit please read the attached letter, or for further assistance, contact Anthony Nguyen in our office at 858-455-5550.

**IT'S ALL FREE.**
