March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Clean and Safe San Diego Parks Initiative in fiscal year 2024. The entity to receive funding for this project is the City of San Diego at 202 C Street, San Diego, CA 92101. The funding would be used for lighting repairs and security camera installations in 32 City parks and 25 recreation facilities. The project is an appropriate use of taxpayer funds because this project will help the City ensure that its public parks and recreation facilities are clean, accessible, and promote public safety in the parks and protect valuable assets from being vandalized.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
