The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House Appropriations Committee
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Homeless Shelter Capital Improvement in fiscal year 2024. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, San Diego, CA, 92101.

The funding would be used to rehabilitate and convert a publicly owned office space into a homeless shelter. The funding will be used for capital improvements to convert unused San Diego Housing Commission office space in downtown San Diego into a 45-bed homeless shelter. The funds will be utilized for capital improvements related to the conversion of this facility.

The project is an appropriate use of taxpayer funds because this project provide shelter for forty-five individuals and connect them with services and put on a path towards permanent housing.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
