The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House Appropriations Committee
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Green Line Passenger Variable Sign (VMS) and Public Address (PA) System Upgrades in fiscal year 2024. The entity to receive funding for this project is the Metropolitan Transit System located 1255 Imperial Ave, Suite 1000, San Diego, CA 92101. The funding would be used for the installation of 32 new variable message signs (VMS) and replacing the current public address system (PA) along eight stations of the Green Line corridor from Gaslamp Quarter to Old Town Transit Center. The project is an appropriate use of taxpayer funds because this project will replace aging infrastructure by upgrading passenger information signs and public address systems, while maintaining a state of good repair.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Peters".
