House Appropriations Committee

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2,000,000 in funding for the Freedom Park at Navy Pier project in fiscal year 2023.

The entity to receive funding for this project is the Port of San Diego, located at 910 N. Harbor Drive, San Diego, CA 92101.

The funding would be used for the development of the largest public veteran's park on the West Coast, and the only park honoring veterans in the City of San Diego. The funds requested would directly support that work, to include pier piling upgrades, utility upgrades, building demolition, concrete removal and any environmental impact work. This work ensures the proper foundation prior to building the park. Expert engineering companies will help manage the work on the pier.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Peters".
