The Honorable Mario Diaz-Balart, Ranking Member
Subcommittee on Transportation, Housing and Urban
Development, and Related Agencies
Committee on Appropriations
United States House of Representatives
Washington, DC 20515

Dear Chairman Price and Ranking Member Diaz-Balart:

Thank you for your past support of valuable transportation projects throughout the United States. As you consider funding for projects in the FY21 Transportation, Housing and Urban Development bill, I request in strongest possible terms that you include \$2.3 billion for Capital Investment Grants. This will benefit projects across the country, including the Mid-Coast Corridor Transit Project in San Diego, CA.

As you know, the Mid-Coast project already has a full funding agreement with the federal government and continues to build an essential addition to the San Diego trolley system. Mid-Coast is in its fourth year of construction, with stations, viaducts, and bridges expected to be completed in the next year. Mid-Coast is on time and on budget to begin operations in 2021. This project could utilize additional funding for FY21, and I encourage you to consider further supporting Mid-Coast.

Thank you for your time and consideration of this important request.

Sincerely,

Rep. Scott H. Peters
Member of Congress

Rep. Susan A. Davis

Rep. Mike Levin
