March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Coastal Rail Bike Trail in fiscal year 2024. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, San Diego, CA 92101. The funding would be used for the construction costs of the Coastal Rail Trail Bikeway. The project is an appropriate use of taxpayer funds because this connection will expand the opportunity for people riding bikes to continue a safe and separated path from the major job centers and education campus to a natural population of students and the already popular street of Gilman Drive.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133 (b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
