Committee on Appropriations  
House Appropriations Committee

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
House Appropriations Committee  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for San Diego At-grade Crossing Elimination Study (SD ACES) in Fiscal Year 2024.

The entity to receive funding for this project is the San Diego Association of Governments located at 401 B Street, Suite 800, San Diego, CA 92101.

The funding would be used for a study, to look at eleven at-grade rail crossings within the LOSSAN corridor in and near downtown San Diego.

The project is an appropriate use of taxpayer funds because the existing at-grade crossings in the SD ACES corridor are insufficient for a busy, urban environment, leading to numerous preventable fatalities and injuries.

The project has a Federal nexus because the funding provided is for purposes authorized by section 22907 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
