March 31, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for The North County Transit District Bus Fleet Replacement in fiscal year 2024. The entity to receive funding for this project is the North County Transit District located at 755 Norlak Avenue, Escondido, CA 92025. The funding would be used for the purchase of four battery electric buses. The project is an appropriate use of taxpayer funds because this project will allow the replacement of end-of-life CNG buses to better provide safe and reliable service for BREEZE riders.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
