The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Electrical Infrastructure Improvements Project in fiscal year 2025. The entity to receive funding for this project is the San Diego County Regional Airport Authority, located at 2417 McCain Rd, San Diego, CA 92101. The funding would be used for improvements to the reliability and efficiency of the airport's power supply to prevent disruptions to the airfield, passenger terminals, and other airport facilities. The project is an appropriate use of taxpayer funds because it will develop the electrical infrastructure that supports an airport designated critical infrastructure under current statute and promote the safety and security of travelers by improving the capacity, functionality, and resiliency of passenger terminals and airfield operations.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
