The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Mission Road Lighting Project in fiscal year 2025. The entity to receive funding for this project is the city of San Marcos, located at 1 Civic Center, San Marcos, CA 92069. The funding would be used for the installation of pedestrian lighting along the Inland Rail Trail within the Richmar Neighborhood of San Marcos. The project is an appropriate use of taxpayer funds because it will enhance access to public transportation and improve safety for those traveling at night.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
