The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Famosa Slough Alley Slope Restoration Project in fiscal year 2025. The entity to receive funding for this project is the city of San Diego, located at 202 C St. San Diego, CA 92101. The funding would be used for the construction of storm drain infrastructure to collect runoff within the alley. The project is an appropriate use of taxpayer funds because it would minimize further erosion or sediment discharge into Famosa Slough which allows citizens to better use public infrastructure.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Peters".
