The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the La Jolla Streetscape project in fiscal year 2026. The entity to receive funding for this project is the City of San Diego, located at 202 C St., San Diego, CA 92101. The funding would be used for the improvement of infrastructure, expanding pedestrian spaces, calming traffic, adding stormwater drainage channels, enhancing walkability, improving lighting, and adding landscaping. The project is an appropriate use of taxpayer funds because it will improve infrastructure and overall quality of life in the local community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
