March 24, 2023

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Harbor Drive Pump Station 1 and 2 in fiscal year 2024. The entity to receive funding for this project is the City of San Diego located at 202 C Street, San Diego, CA, 92101.

The funding would be used to help repair, rehabilitate, and upgrade various components of two essential wastewater pump station facilities to ensure reliability into the future. The project is an appropriate use of taxpayer funds because the Harbor Drive Pump Station is responsible for receiving and directing wastewater flow from 2/3 of San Diego County's population, approximately 2.3 million people. The proposed capital project addresses improvements and modernization at both Pump Station 1 and Pump Station 2 since the operations of both pump stations are closely tied together.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
