The Honorable Kay Granger

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$2,000,000 in funding for the Light Up San Diego Streetlight Improvement Program – Beach Communities project in fiscal year 2023.

The entity to receive funding for this project is the City of San Diego, located at San Diego, CA 92107 and 92109.

The funding would be used to replace 70+ year old infrastructure which will improve the reliability of the City's streetlights, enhance public and pedestrian safety, lower the City's maintenance effort, and lead to savings associated with outages where series circuits currently exist.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Peters".
