Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Downtown Mobility Phase 3A, San Diego, CA in surface transportation reauthorization legislation.

The project sponsor for this project is the City of San Diego and the project is located on State St, W Hawthorn St, W Grape St, Columbia St, India St, B St, in San Diego, California, 92101.

The funding will implement bikeways (cycle tracks) within downtown to provide linkages within and to surrounding neighborhoods while also increasing bicycle commute mode in accordance with the downtown mobility plan. The project scope includes street resurfacing, traffic striping, traffic signal modifications, ADA improvements, construction of bicycle facilities, and angled parking conversion. This is a multimodal project. This project is part of the Regional Transportation Improvement program (RTIP).

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: reduced congestion, improved air quality, reduced energy use and greenhouse gas emissions, improved public health for those biking or walking, and reduced commuting and travel costs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
