

Congress of the United States
House of Representatives
Washington, DC 20515-0552

The Honorable Paul Ryan
Speaker
United States House of Representatives
H-232 The Capitol
Washington D.C. 20515

March 21, 2017

Dear Speaker Ryan,

We write to urge that, as you revise the American Health Care Act, you resubmit the bill to the Congressional Budget Office and receive an updated score prior to floor consideration. The score released by CBO last week demonstrated how significant any substantial healthcare reform is for the American public. In making and reforming healthcare policy, Congress must evaluate and understand how any policy proposals will affect access, affordability, and quality of care. The American public deserves to know the ramifications that changes to current policy will have for their ability to receive the healthcare they need.

During your time as Speaker, you have committed to ensuring an open and transparent legislative process. We ask that as the House considers legislation of this magnitude, you honor that commitment. Therefore, as you and your conference contemplate making changes to the bill, it is critical that the changes be subject to an independent, public, non-partisan evaluation to help Americans understand what consequences your legislation holds for them.

Sincerely,

Scott H. Peters
