The Honorable Tom Cole

Committee on Appropriations  
House Appropriations Committee

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Golden Hill and South Park Storm Drain Replacement Project in Fiscal Year 2027. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, Floor 11, San Diego, CA 92101. The funding would be used for the replacement and realignment of several aging storm drains in the Golden Hill and South Park neighborhoods.

The project is an appropriate use of taxpayer funds because it will improve the storm drain system capacity, reliability, and long-term performance and reduce the risk of flooding.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C § 1381.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
