The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
House Appropriations Committee  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Presidio Palms Energy Efficiency and Property Upgrades for Fiscal Year 2027. The entity to receive funding for this project is the San Diego Housing Commission, located at 1122 Broadway Street, Suite 300, San Diego, CA 92101.

The funding would be used to design, engineer, and construct a high-efficiency battery storage system and related community-oriented site improvements at this permanent supportive housing community. The project is an appropriate use of taxpayer funds because it will decrease long-term energy costs, create people-centered spaces, and enhance the sustainability of a critical 161-unit permanent supportive housing resource that serves some of San Diego's most vulnerable community members. Each investment directly supports people who rely on affordable housing to remain connected to schools, employment, healthcare, and community services.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
