The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the San Diego Fire Suppression Equipment Project in Fiscal Year 2027. The entity to receive funding for this project is the City of San Diego, located at 202 C Street, Floor 11, San Diego, CA 92101.

The funding would be used to purchase four fixed helicopter fire hydrant systems and 50 totes of Citrotech, a non-toxic fire inhibiting treatment used on vegetation during wildfire conditions. The project is an appropriate use of taxpayer funds because it will increase wildfire fighting capacity in underserved and high-risk fire prone zones throughout the area.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".
