The Honorable Tom Cole
Chairman
Committee on Appropriations
House Appropriations Committee
Washington, DC 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Valley Parkway Pedestrian and Roadway Safety Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Escondido, located at 201 North Broadway Street, Escondido, CA 92025.

The funding would be used for the design and construction of new ADA-compliant signals, poles, mast arms, controller cabinets, and cell modems for signal control and communications at a high crash frequency intersection. The project is an appropriate use of taxpayer funds because it will implement best practices in traffic safety and ADA accessibility to make Escondido safer for its residents, workers, and visitors.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott H. Peters".

Scott H. Peters

Member of Congress

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the El Camino Affordable Family Housing Infrastructure Improvements for Fiscal Year 2027. The entity to receive funding for this project is the San Diego Housing Commission, located at 1122 Broadway Street, Suite 300, San Diego, CA 92101.

The funding would be used to support infrastructure improvements, including new roofing, HVAC, water systems replacements, accessibility improvements, and fencing repairs across this deed-restricted affordable housing community that serves low-income families. The project is an appropriate use of taxpayer funds because investment in this affordable housing property ensures that families may continue to have a secure, affordable place to call home and remain connected to schools, employment, healthcare, and other community services that support an overall high quality of life.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Scott H. Peters

Member of Congress
