Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for Digital Health for High Risk and Vulnerable Populations in fiscal year 2022.

This entity to receive funding for this project is University of California San Diego Health, located at 9300 Campus Point Drive, La Jolla, CA 92037.

The funding would be used to support the entire San Diego region in a seamless transition to telehealth, improve remote management through home sensors and provide the best care to our high risk and vulnerable patient populations, while also preventing unnecessary hospital readmissions.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
