Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting \$1,880,000 in funding for the MTS Imperial Avenue Division Zero Emission Bus Infrastructure Project – Charging Equipment project in fiscal year 2023.

The entity to receive funding for this project is the San Diego Metropolitan Transit System, located at 100 16th Street, San Diego, CA 92101.

The funding would be used to purchase 30 pantographs and 10 battery electric chargers, which would allow for up to 30 zero emission buses (ZEBs) to be simultaneously charged overhead. The optimized charging allows the buses to meet route schedules.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Scott Peters".
