CSLB IN YOUR COMMUNITY

As part of its consumer protection mission, CSLB has provided Senior Scam StopperSM seminars in cooperation with sponsoring legislators throughout the state since 1999. The two-hour seminars feature a panel of experts who talk about scams commonly used against older consumers that range from auto repair to insurance and Medicare fraud. CSLB's representatives discuss home repair fraud and the importance of hiring licensed contractors.

Click on the Senior Scam StopperSM link at www.cslb.ca.gov or www.CheckTheLicenseFirst to learn more about upcoming events.
